

CHARTERHOUSE

Tri-ply 304 stainless steel Chinese wok
Double-sided 3D honeycomb pattern

32cm **TWD\$2980 / US\$100**

Handle
Heat-resistant handles, safe to hold

Finely carved
Meticulously carved 3D patterned base,
resistant to burning and
will not turn yellow.

1. Honeycomb ceramic
crystal non-stick layer

2. Black Titanium biofilm

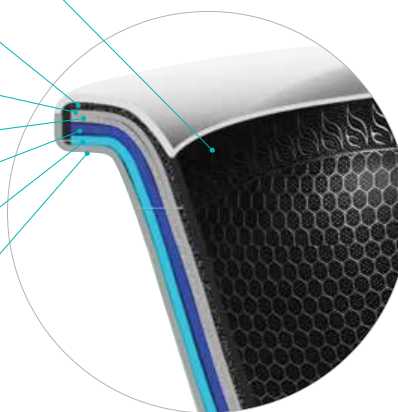

3. 304 food grade stainless steel

4. Energy storage 3003 Aluminium Alloy

5. Aircraft grade superior
heat conduction material

6. Energy storage
3003 Alloy Aluminium

7. 430 magnetic polished
stainless steel

The wok is made
of 7-layer lamination,
contains 2 energy storage
type substrates. Heat conduction
is faster and more even, while
the wok can be maintained
at a certain temperature.

High temperature **Steam film**

Honeycomb pattern **Dot**

Honeycomb pattern **Line**
